## Invensys Web Site Privacy Statement

Welcome to [Invensyscontrols.com](http://Invensyscontrols.com). This Web site is owned and operated by Invensys Controls (“Invensys” or “we” or “us” or “our”). This Privacy Statement ("Privacy Statement") explains how we collect, use, and disclose the Personal Information that we obtain through this Web site.

### Consent

Your use and entry of Personal Information into this Web site constitutes your consent to the processing and transfer of your Personal Information in accordance with this Privacy Statement. Please note that if you are located in a jurisdiction outside of the United States, your use and entry of Personal Information into this Web site constitutes your consent to the transfer of your Personal Information into the United States.

This Web site does not normally collect "sensitive" Personal Information, such as information regarding personal or professional interests, beliefs, demographics, health and/or medical information and experience with our products. However, if this Web site collects any sensitive Personal Information, your use and voluntary entry of information into this Web site constitutes your explicit consent to the collection, use, and disclosure of that information in accordance with the terms of this Privacy Statement.

### Types and Uses of Personal Information

Invensys may collect and use the following types of personally identifiable information ("Personal Information"):

- First Name, Last Name, Title, Company Name, Address, Phone Number, Fax Number and Email Address
- User ID and Password
- IP Address
- Billing, Transaction and Credit Card Information. Credit Card numbers are used only for payment processing and are not retained for any other purposes.

Invensys uses your Personal Information to help provide the highest level of customer service to our prospects, customers, suppliers and other parties. Personal Information is collected to allow

Invensys to better understand your needs, communicate with you, contact you for market research, provide marketing information or other materials we think would be of particular interest to you, help you complete a transaction, and for any other purposes identified when the Personal Information is collected. Personal Information collected online may also be combined with information you provide when you register your ownership of Invensys products.

Invensys will not use Personal Information in ways unrelated to the ones described above without first obtaining your permission.

### **Cookies and Other Passive Tracking Devices**

Invensys uses cookies, Web bugs and IP addresses to generate aggregate and anonymous statistics about the Web site and to tailor the content of the Web site to make it more effective. Some Web sites will not allow you to complete certain activities if cookies are disabled. Invensys may combine the information it collects passively with your Personal Information.

### **Transfer of Personal Information**

Invensys will not sell, rent, transfer or lease your Personal Information to any third party, except in the following circumstances:

- Invensys has your written consent;
- Transfer is to another Invensys entity(s) and/or business partners who are acting on Invensys' behalf for the uses described in "Types and Uses of Personal Information". Invensys entities and/or business partners in the United States will be governed by this Privacy Statement with respect to use of Personal Information;
- Transfer is required by law or court order; and/or
- Transfer is done in connection with the sale or transfer of all or part of an Invensys company to a successor-in-interest.

### **Accessing and Updating Information**

Please notify us at the following address of any changes to your Name; Title; Email Address; and Company Name, Address, phone number or email address: [Todd.treadway@invensyscontrols.com](mailto:Todd.treadway@invensyscontrols.com).

To aid in processing your request, please include the following details:
